Disbursements

Disbursements are costs related to your matter that are payable to third parties, such as Land Registry fees. We handle the payment of the disbursements on your behalf to ensure a smoother process.

****Stamp Duty or Land Tax (on purchase)**

This depends on the purchase price of your property and your individual circumstances, for example if you are a first time buyer or if you will own interest in more than one property upon completion, if there is a consent order. You can calculate the amount you will need to pay by using HMRC's website: <https://www.tax.service.gov.uk/calculate-stamp-duty-land-tax/#/intro> or if the property is located in Wales by using the Welsh Revenue Authority's website here: <https://ltcalculator.wra.gov.wales/>

How long will my house purchase take?

How long it will take from your offer being accepted and instructing us until you can move in to your house will depend on a number of factors. The average process takes between 6-12 weeks. It can be quicker or slower, depending on the parties in the chain. For example, if you are a first time buyer, purchasing a new build property with a mortgage in principle, it could take 12 weeks. However, if you are buying a leasehold property that requires an extension of the lease, this can take significantly longer, between 6 and 9 months. In such a situation additional charges would apply.
